

# Welcome to Dale Hollow Lake

## US Army Corps of Engineers.

Nashville District

The Nashville District of the U.S. Army Corps of Engineers welcomes you to Dale Hollow Lake. Dale Hollow belongs to you. Treat your lake and surrounding area with respect by keeping it clean and attractive. Enjoy yourself, have a safe visit and come again.

## Campsite Reservations

Reservations for specific sites can be made through the National Recreation Reservation Service (NRRS) toll free by calling 1-877-444-6777 or on the internet at [www.ReserveUSA.com](http://www.ReserveUSA.com). Reservations are accepted up to 240 days in advance of the day of arrival. Unreserved sites are available on a first-come, first-served basis.

## Please Observe A Few Guidelines

Public use at all Corps of Engineers projects is governed by the Rules and Regulations set forth by the Secretary of the Army to provide visitors with safe and healthful recreational opportunities while protecting and enhancing natural resources. These Rules and Regulations are found in Title 36 and are enforced on Dale Hollow Lake and facilities managed by the US Army Corps of Engineers. A copy of these complete Rules and Regulations are available at the camper registration center or the Resource Manager's Office.

1. Camping is permitted at designated camping areas with not more than six (6) people or the members of one family unit at any one site. A family unit is considered to be parent(s) and unmarried children living in the same household with typically sized camping equipment and vehicles. In no case will several camping parties be allowed to use one site.
2. All camping equipment and vehicles must be fit within the designated site pad. Each site is limited to TWO vehicles. An RV or trailer counts as one vehicle.
3. Campers with reservations must register prior to occupying the site.
4. Quiet hours are from 10:00 p.m. until 6:00 a.m. The gate will be LOCKED during this time. Plan your arrival accordingly. Campers who arrive after 10pm must park outside the gates and register in the morning.
5. Please keep all fires in the provided grill on the site pad.
6. Campgrounds and day use areas on Dale Hollow are operated as family parks. Alcoholic beverages, firearms, fireworks, or weapons of any kind are prohibited.
7. All pets must be on a leash 6 foot in length or less, controlled, and attended at all times. NO pets in the bathhouse or in beach areas. It is necessary for you to clean up after your pets as a courtesy to incoming campers.
8. Please help keep Dale Hollow clean and clear. Please properly dispose of your trash in the provided dumpster and leave the area cleaner than you found it. No gray water should be released on site; a dump station is located at each campground. Aluminum can recycling bins are available and benefit local non-profit organizations.

## Be A Friend Of Dale Hollow

Friends of Dale Hollow Lake, Inc. is a non-profit organization with the purpose of preserving Dale Hollow Lake in its natural state and support of the Army Corps of Engineers. Activities are organized to protect and educate about the archeological, natural, cultural, and historical features of Dale Hollow Lake. If you're interested in becoming a "Friend", contact the Resource Manager's Office at (931) 243-3136.
